Re: Invitation to Serve on School District Committees

Dear Patrons of WCLT:

WCLT School District has a need to increase its' participation and especially diversity representation on a variety of school improvement committees. This includes ethnicity and gender on all committees.

If you would be willing to serve on the SIAC (School Improvement Advisory Committee) or the Career/Vocational Committee, which meets 2 or 3 times a year, please contact Melissa at the high school at 641-565-3211 or by email at mkearney@woden-crystallake.k12.ia.us.

If you have interest in other areas not mentioned, please let us know of your interest and availability. You are encouraged to contact any of our teaching staff to discuss this further, if needed.

Together we will strive to meet the needs of every student, ensuring their potential for future success and career opportunities!

Respectfully yours,

Leonard Claude, Curriculum Coordinator & High School Teacher

Ken Kasper, High Principal & Teacher
