

School District Meetings

Parents,

The March 30th meeting is an opportunity for you to speak with the potential sharing districts about what their schools have to offer your student(s). This time will be utilized for you to ask any questions in regards to the educational opportunities those districts have to offer. To make an educated decision about your students' future, you will need to have as much information about each district as possible. Please take advantage of this opportunity to gain valuable information that might help your decision making process.

Please help us spread the word about these meetings so that all families in the W-CL-T districts will attend.

Tuesday, March 30th, 2010 7:00 p.m. Principals from Algona, North Iowa, Forest City, and West Hancock schools will be available **in the Titonka School gymnasium** for a question and answer session. Community members are invited to attend and ask any questions they may have about those schools.

Monday, April 5th, 2010 6:00 – 7:00 p.m. Titonka and Woden-Crystal Lake boards will meet for a joint work session **at Crystal Lake.**
7:00 – 8:00 p.m. The boards will answer questions and open the floor to community members for discussion.
8:00 – 9:00 p.m. The boards will reconvene to continue the joint work session.
